2026 Alberta Labour Market Year-in-Review Workshop

Hosted by the Alberta Labour Market Report

Resilience, growth and labour market progress in the face of economic uncertainty

ONLINE WORKSHOP: TUES. DEC. 8TH, 2026 | 9:30AM-3:30PM

WORKSHOP OVERVIEW

Alberta's labour market is being transformed by unprecedented forces in trade, global partnerships, the growth of AI, immigration changes and an ongoing skills shortage. Leaders in government, education, business and industry are working to overcome and thrive within these changes. This workshop will examine these efforts, provide details and project how this new environment will transform the local labour market.

TOPICS WILL INCLUDE:

- Major forces transforming Alberta's labour market in the year 2026
- Strategies to grow the economy and create new jobs being undertaken by the governments of Alberta and Canada
- Industries hard hit and industries that are growing during the economic transition
- Occupations with strong potential and the necessary skills
- Examination of the most relevant labour market stories, research and trends from the past year
- The impact of the transition on local employers
- Strategies for success among under-represented groups such as those with disabilities, newcomers, youth, mature workers and indigenous Canadians
- Breaking down the 'Roadmap of Success' in Alberta's labour market in the year 2027
