National Networking Day for Job Developers

Fri. Sep. 19, 2025 | 8:30am-4:30 pm*

www.jobdevelopment.org/nnd

The **National Networking Day for Job Developers** is a pan-Canadian opportunity for job developers to gather together in their own communities with other job developers to discuss areas of mutual interest, learn about what each organization does, gather insights into the challenges and unique strategies job developers utilize and develop an understanding of best practices. There will be opportunities for the group to join counterpart groups online separately in their province as well as across Canada.

While we are starting off with an initial group of 16 communities as well as a hybrid online version of the session, we will be adding more communities as more *Sponsor Organizations* come forward. If you would like to sponsor a session in your community and want to know more, please visit: www.jobdevelopment.org/sponsors

* While all sessions are planned for 8:30am to 4:30pm local time, in Newfoundland and Labrador, it will be 9:00am to 5:00pm and the hybrid online version will be: 8am-2pm Pacific Time / 11am-5pm Eastern Time.
