The **National Networking Day for Job Developers** is a pan-Canadian opportunity for job developers to gather together in their own communities with other employer engagement professionals to discuss areas of mutual interest, learn about what each organization does, gather insights into the challenges and unique strategies job developers utilize and develop an understanding of best practices. This online session is intended to provide individuals in communities where there isn't a session or the session is full with access to some of the professional development opportunities.

REGISTRATION:

Registration for the National Networking Day
for Job Developers is **FREE**.
